

Obserwator

```
graph BT; K[Kelner] --> P[Pracownik]; Ku[Kucharz] --> P; P --> O[Obserwator];
```

The diagram illustrates a hierarchy of roles. At the top is 'Obserwator'. Below it is 'Pracownik', with an upward arrow connecting them. At the bottom are 'Kelner' and 'Kucharz', both of which have upward arrows pointing to 'Pracownik'. A horizontal line connects the two bottom boxes, and a vertical line extends from its center to the arrow pointing up to 'Pracownik'.
